Chairman's & Author's Notes

The Revellers started in 1947 so next year will be our 70th anniversary. The group were associated with St. Marks Church and did entertainments to raise money for charity. They would begin by reciting this:

*The Revellers are happy folk
Who always spend their leisure
Having fun, raising funds
And giving people pleasure*

We hope we are continuing their tradition.

Even though I penned this play myself, don't imagine that I have had anything to do with the production or the casting. I have left that entirely to Steve and Vicki and kept well out of the way (which I am sure they have approved of). So, as you can imagine, I am looking forward to seeing what they have done with my masterpiece! Of course, Sue has kept me well informed as to its progress so I am pretty confident that it is going to be up to our usual standard.

Since I joined Revellers we have performed at many venues; The Embassy, Millfield Hall, The Cresset, The Key, Bedford Hall, St. Mark's, The Bowls Club, Walton School, Oakham, Perkins' Theatre, two halls in Norfolk, The Central Park, Lady Lodge, The Cathedral, The King's School, Christchurch, The Burleigh Square Club, The Fleet. The Radius and Hampton School. Perhaps you can remember others.

Now we are planning our next spectacular musical production of "Bonnie & Clyde" at The Stamford Corn Exchange Theatre. What a nomadic and adaptable society we are! Just give us a space and The Revellers will entertain you anywhere!

I hope you enjoy this latest offering and look forward to seeing you in Stamford in September.

The Cast

Directors Notes

Welcome everyone to Clive's newest play "The Best Man". I have the joy of a great cast with Mark (Stephen) trying to be best man and coming up against Sue (Mrs Radley). Let battle commence!

Clive has written a script which lends itself to lots of jokes and physical comedy (my favourite kind). Thanks Clive!

I have to say a few thank you's. Firstly to the rest of the cast: Sarah, Kirsty, Shaun and Brian who have learned this play in super quick time, despite having inconvenient holidays (Christmas and New Year), still in six weeks they have done a great job. Secondly to all those backstage who arrange ticket sales, seating, fish & chips, publicity and, as usual, Geoff and Ray for the set. Thank you guys.

Lastly my thanks to Vicki, my Assistant, who is simply brilliant. She kept up with me and kept me on the straight and narrow. Thank you all. Enjoy the show.
